PROGRAMS

Sectional

Programs are proceeded with one on one personal guidance or are proceeded partly. Through specific and detailed guidance from the best professionals students will be able to not only develop their instrumental skills, but also will learn how to communicate with other musicians; ultimately learn the true meaning and the value of music.

PROGRAMS

Concerts

Valedictory Concerts

For the students and their parents whom had attended the Lindenbaum festival, we offer the privilege to witness the Concerts of the mentors of Lindenbaum ensemble during the camp.

Lindenbaum Ensemble Concerts

Students will have the opportunity to perform with their developed instrumental skills. The Concerts will be held within the performances of the festival and also at a special place outside.

PROGRAMS

Mentoring program

Through mentoring with prospective mentors, students will have the chance to share their dreams and passions. This will help them to develop their goals and motivate them. We also have time to develop practical skills for students, such as time management, study methods, and school counseling.

PROGRAMS

Group programs

All students participating in the Lindenbaum Music Festival will be teamed up and will participate the programs team-based. Each team will have a staff who will manage and communicate with the students. Through various team activities, students will not only learn how to care for and interact with each other, but also develop true leadership. (Recreation, team missions, etc.)

PROGRAMS

Lecture

A very special lecture will be held for parents and students. It will be a productive time to expand the students' knowledge and will aid them with finding their dreams and their visions. It will also be a very unique time for parents too. It will allow them to have better understanding of their children. Also it will be a time to acquire the ways to be an advocates for their children's aspirations.
